

VOLUME NO. 11

VERNON, WILBARGER COUNTY, TEXAS, NOV. 7, 1919

PRODUCTS OF FARM AND GARDEN WORTH \$6,968 ARE CANNED

County Demonstrators Annual Report Shows Community Canners Have Been Established at Odell, Oklahoma and Tolbert—35 Housewives Keeping Accounts—6 Planning Budgets

The value of canned products put up under the supervision of Home Demonstrator Miss Ohmie Wilcox during the past year is approximately \$6,968.00, according to the estimate in the yearly report being forwarded to A. & M. College. Community canners have been established at Odell, Oklahoma and Tolbert.

The interest in canning, Miss Wilcox says, has greatly increased within the last few months. She is planning a campaign next year that will include a great deal of dairy work. This phase has not heretofore excited the interest of the women that it warrants by reason of its importance.

Thirty-five housewives in the county are keeping household accounts and six are planning household budgets, the report shows.

Miss Luna Killingsworth of Tolbert, Route 2, shows the best record from her garden on one-tenth of an acre. She realized a net profit of \$128.48 on her garden. Other girls who worked tenth-acre gardens and made splendid records are: Ruth Hite, Route 2, Tolbert; Alice Randall, Route 2, Chillicothe; and Malissa Inmon, Route 2, Tolbert. These girls realized profits of \$42.43, \$69.98 and \$38.86, respectively. Seven girls in the county are paying all or part of their expenses from money earned in their club work.

3,189 Chickens Grown

Miss Wilcox' report shows that the women and girls members of the poultry clubs raised approximately 3,189 chickens this year.

The women and girls have evidenced more interest in club work than ever before, Miss Wilcox says, and have taken advantage of a favorable season to the fullest extent. This fact is proven by the statistics in the report showing the actual financial results of the work.

Miss Wilcox announces the following members of the canning and poultry clubs as having made an average of eighty per cent in their club work:

Lila Allred, Leslie King, Luna Killingsworth, Julia Morris, Rama Parmley, Ruby Sellers, Pearl Mathus, Lois Burchfield, Melissa Inmon, Lillie Inmon, Gladys Wood, Lona Raper, Ada Hildebrand, Ruth Tisdal, Leetia Tooley, Vera Collins, Douglas Wallace, Carolyn Sherman, Everett Sherman, Ruth Prescott, Alma Schwede, Myrtle Elzie, Helen Richie, James Hudson, Audrey Henderson.

GETS 2 CENT PREMIUM ON ACALA

W. W. Welch Believes Farmers Would Make More to Grow Long Staple Varieties.

W. W. Welch, from the forks of Pease and Red River, was in Vernon yesterday with a load of cotton. He came in Wednesday night and waited nearly all day Thursday for his turn.

Mr. Welch is growing Mebane and Acala cotton. He expects to get better than half a bale to an acre, and says he will have about seventy-five bales.

A premium of 2 cents a pound has been offered Mr. Welch for his Acala cotton if he will keep it separate. He is strong for better cotton, and believes the price paid in Vernon this year for non-descript cotton would be much lower except for the longer staple being grown. Mr. Welch is anxious to help Vernon build up a reputation for producing high grade lint. He is sure it will mean much more money in the long run.

FIGURES WILL MAKE TWENTY BALES COTTON ON 35 ACRES

E. B. Gilchrist of Route 2, Vernon, was in town Wednesday with a bale of cotton. He reached the gin shortly after midnight and found thirty-five or forty loads of cotton ahead of him.

Mr. Gilchrist sold his cotton for 43 1/2 cents, one bale bringing \$185.05 for the lint. He figures that he will make twenty bales, or more, on thirty-five acres.

With a fine feed crop, Mr. Gilchrist feels like Wilbarger county has done pretty well by him this year.

CLAIM WILBARGER STANDS FIFTH IN PRODUCTION RANK

Edge of Wildcat Producing Territory Within Eleven Miles of Vernon — Two Completions This Week—200 Good Wells In County and 62 More Going Down After Oil.

According to local oil men, Wilbarger county is the most active wildcat field in Texas and, with 200 producing wells already brought in, it stands fifth in Texas in production. Sixty-two wells are now going down. Wildcats are in progress in every direction from Vernon, but the edge of the productive field has come within 11 miles of the city.

Two new wells came in this week, the La Rue and the Magnolia Petroleum. The LaRue, a forty barrel well, is situated on the Rogers survey, southeast of the Summer tract in semi-proven territory. The Magnolia Petroleum well is also a forty barrel producer and is on the Piper tract. Both holes are of medium depth.

Lease at \$50 Per Acre

Another test east of Vernon is to be made by the Cameron Oil Company of Denver, Colo., which has acquired acreage in various parts of the county. The amount of the acreage is not given out, but the price was \$50 per acre, the deal being handled through Dawdy & McKinney.

The Moonshine Hill well on the Cobb tract east of Vernon has been taken over by P. P. Langford and others of Wichita Falls. This venture was shut down several months ago. It was rumored that the drill had gone through four different sands. The new proprietors are said to intend to test out the sand thoroughly.

The Texas Crescent has a derrick up on Section 24, Block 13. Operations have been interfered with because of inclement weather, but it is understood that drillers will spend in probably this week.

To Resume Operations

Robbie & Jordan of Wichita Falls have a derrick on the Hale farm, near Harrold, and will begin drilling soon.

C. R. Greenwood of Fort Worth, vice-president of the Pope Oil Company, came up this week to look after the company's hole on the Raesner tract, about four miles north of the Piper tract, which is down to about 1,000 feet but which has been shut down for some time. He hopes to resume operations.

Numbers of Vernon oil men and lease speculators made a trip this week to Wichita Falls upon the receipt of the news that the Kemp-Munger-Allen well was flowing again. Leases in the neighborhood of the producer jumped to \$1,000 an acre. It is said that former secretary of the Treasury W. G. McAdoo purchased acreage at this price. The local oil exchange was depopulated Wednesday as a result of the exodus to Wichita Falls.

FARGO YOUNG PEOPLE WED.

George Beavers and Miss Alice Harrell Married By Rev. W. T. Rouse.

George Beavers and Miss Alice Harrell were married at the home of the bride's parents near Fargo at 5 o'clock, Tuesday afternoon. The ceremony was performed before a number of friends and relatives by Rev. W. T. Rouse, pastor of the First Baptist Church of Vernon. After the ceremony a wedding supper was served. The young couple will make their home on a farm near Fargo.

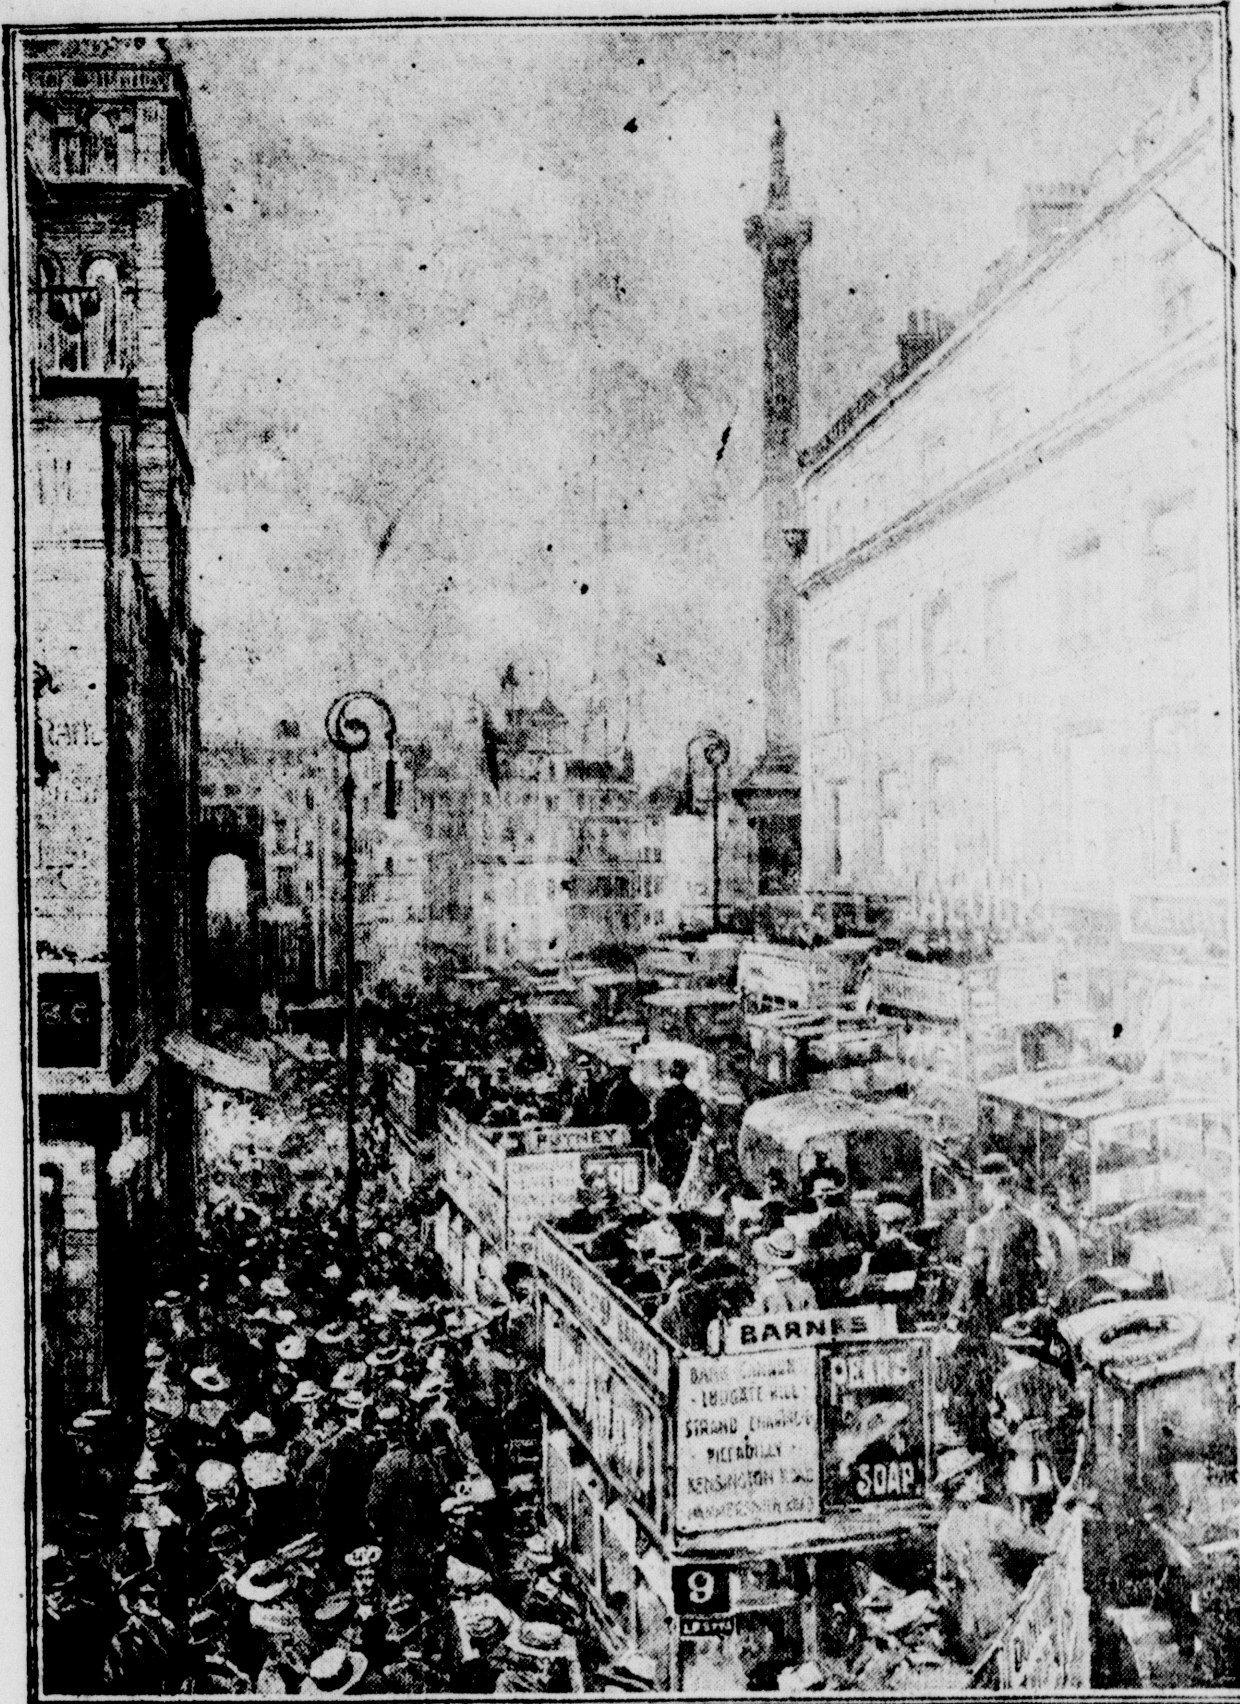

The groom is a son of Mr. and Mrs. W. H. Beavers of the Fargo community and was practically reared in this county. He recently received his discharge after several months' service in the army. Mrs. Beavers is a daughter of Mr. and Mrs. R. E. Harrell. She is a graduate of the local high school and has many friends in Vernon.

A host of friends will join in extending congratulations and best wishes.

Texas Garage Changes Hands.

E. H. Hathaway and J. L. Duerson have bought the mechanical and electrical department of the Texas Garage and will conduct this business under the name of the Better Service Station. Mr. Hathaway has been employed for some time as an electrician for the Texas Company while Mr. Duerson has held a similar position with the Mid-West Oil and Gas Company.

TRAFFIC ON LONDON STREETS BEWILDERING TO TOURISTS

London streets are always crowded with traffic, and to the American visiting the British capital for the first time the wonder to him is that so much traffic can flow through such narrow streets. The above special drawing by O. E. Turner from the London Sphere gives an idea of the crush of motor vehicles at such points as Charing Cross, Hyde Park corner and Westminster Bridge. The drawing features the crush at the end of the Strand so familiar to all Americans, just where the omnibuses draw up to the south side of the street to take on and let off passengers.

ODELL AND TOLBERT SCHOOLS DISMISSED

BOYS AND GIRLS HELPING SAVE COTTON CROP IN TWO COMMUNITIES.

The schools at Tolbert and Odell are closed this week and the students are answering roll call in the cotton patch. In other words, instead of extracting the cube root in arithmetic, they are extracting cotton from the bolls. The day's work is opened by the students singing in chorus "Way Down Upon the Sewanee River," so it is reported. The schools will remain closed until the bulk of the cotton in that country is picked or until the weather becomes unfavorable for picking.

Such is the demand for every available hand in an effort to gather as much of the cotton as possible during the prevailing clear weather that the teachers of a number of other schools in the county are considering starting the school work an hour earlier in the morning in order that the children will have more time in the field after school.

NEW INSURANCE COMPANY HERE.

R. D. Burnside of Houston Will Represent State Life of Indianapolis in Vernon.

R. D. Burnside is in Vernon for the purpose of opening an office as representative of the State Life Insurance Company of Indianapolis, Indiana. His home was formerly in Houston.

Mr. Burnside will write insurance in Wilbarger and adjoining counties. He has not been able to find an office.

The State Life of Indianapolis has one of the largest legal reserves of any life insurance company doing business in Texas.

WOMEN AT DALLAS PLAN PRICE DROP

MRS. O. T. WARLICK ATTENDS STATE MEETING AS DELEGATE OF CLUBS HERE.

Mrs. O. T. Warlick is in Dallas attending the sessions of the Texas Housewives' Chamber of Commerce, which close today. She represents the federated women's organizations of Wilbarger county in the discussions of problems of living costs, industrial affairs in the home, housing and similar difficult questions with which the modern housewife has to deal.

Delegations are in attendance at Dallas from all the larger towns and cities, and addresses on the program come from such prominent persons as Governor W. P. Hobby, a representative from the United States attorney general's office and others.

The ladies of Dallas have made elaborate preparations for the reception of guests, including a luncheon at the Adolphus Hotel at noon today.

"Down With Prices" was selected as the slogan for the badge to be worn by delegates at the meeting, and indicates the temper and purpose of the women who make up the new organization, of which this is the first meeting. Mrs. Warlick's return is awaited by the ladies of Vernon with interest, as it is hoped that she will have some suggestions of value both on the housing problem here and upon the cost of the necessities of life.

Buys Childress County Farm.

J. R. Moore has purchased a section of land located in Childress county, about nine miles northwest of Childress, from the Herring National Bank. The consideration was \$30 an acre. The deal was negotiated by Thompson & Richardson.

DRILLING CONCERN \$150,000 COMPANY

A. J. NIXON AND JOHN LYONS SALES MANAGERS FOR STALEY-GREENE ENTERPRISE.

C. R. Staley and C. D. Greene are the promoters of the Staley-Greene Drilling Company—an enterprise being organized for developing Wilbarger county acreage. The company is to be capitalized at \$150,000 and the par value of the shares is placed at \$100. The stock will be placed on the market within a few days. A. J. Nixon and John Lyons are sales managers.

Messrs. Greene and Staley hold leases on 320 acres, located in Wilbarger county and divided into 40-acre tracts. These tracts are located near wells that are now drilling. They also own two drilling rigs, a standard and a rotary. The former is now being used on the Magness well, while the rotary is drilling the Vaughn well. This property and the drilling contracts, will be turned into the company, aggregating an estimated value of \$115,000.

A meeting will be held within fifteen days for the purpose of final organization.

FARGO GIN HAS TROUBLE IN GETTING AMPLE WATER SUPPLY

The capacity of the Fargo gin has been limited for the past week or so on account of insufficient water supply, according to Hubert Hendrix of Fargo, who was in town Wednesday with a load of cotton from the farm of his father, R. E. Hendrix. The gin has two wells, but has not been able to obtain from them enough water for steam purposes. As a result many Fargo cotton raisers have been forced to come into Vernon.

ONE HALF OF RED CROSS ROLL CALL DUES SPENT HERE

Chairman T. H. Shive Announces Appointment of Leaders of Work for City of Vernon—Misses Castlebury and Works Make Good Showing in One Day's Receipts.

One-half of the total receipts during the Red Cross Roll Call, which is now being conducted in Wilbarger county, will be spent in this county, according to T. H. Shive, chairman of the chapter here.

The peace-time program includes instruction in nursing for local young women, caring for men formerly in the service with regard to their insurance, health, and general welfare, meeting extraordinary conditions affecting the living conditions of the people as a whole, and other items which will be announced shortly.

The third Roll Call is progressing nicely in Vernon. Mr. Shive finds, two young ladies bringing in \$144.50 from Northeast Vernon as the result of Wednesday's work alone. These young ladies, Misses Margaret Castlebury and Ina Works, have shown unusual interest in the campaign, and Mr. Shive feels that their accomplishment in a single day deserves high praise.

Leaders for the Roll Call campaign within the city limits have been named as follows: Southwest Vernon, Mrs. A. B. Swartwood; Northwest Vernon, Mrs. J. M. Napier; Southeast Vernon, Mrs. E. M. Rogers; Northeast Vernon, Mrs. W. E. Bradley, Jr.

Chairman Shive expressed himself as pleased with the showing made by the county as a whole in the campaign, and feels that no difficulty will be found in meeting the quotas assigned to this section. The City of Vernon is asked to furnish \$1,200, and it is thought that this will be exceeded. The county's quota, including Vernon, is \$3,200.

Mr. Shive is very much pleased at the co-operation and enthusiasm that has been shown in the conduct of the Roll Call, and expects the outcome to be very creditable to Vernon and the county at large.

TO HANDLE FARM IMPLEMENTS.

H. L. Terhune and W. C. Orr Are Buying Stock for New Business in Vernon.

The Terhune-Orr Implement Company will open for business in the Masonic Building on North Main street as soon as the stock arrives. Mr. Terhune is in Dallas purchasing the stock and it is expected within the next few days. The new enterprise will handle a full line of implements and wagons. The new firm is composed of H. L. Terhune and W. C. Orr. Mr. Terhune has had considerable experience in the implement business, having been employed with the Shive Implement Company and recently has been manager of the Wilhelm Implement Company in Wichita Falls. Mr. Orr is a prominent farmer living about three miles west of Vernon. He was formerly county demonstration agent of Ford county.

Mr. Terhune is moving his household effects from Wichita Falls.

A. D. BOURLAND EXPECTS TO GET 3-4 BALE TO AN ACRE.

A. D. Bourland, who lives on Route 1, has 120 acres of cotton on which he expects to gather an average of three-quarters of a bale to the acre. Mr. Bourland was in the city on business Wednesday. He has thirty of forty bales open at this time, he said, and a large part of the crop has hardly started to open, some of it having been planted late. On the earlier cotton he believes he has nearly a half bale of lint to the acre now.

Mr. Bourland has had some trouble getting hands but now has a crew that will pick considerably over a bale a day.

John Wilkinson Is Building New Shop.

John Wilkinson is having a new building erected on North Main street, just south of the Frisco depot and will move his blacksmith shop from his old stand on North Main, south of the Sewell elevator. J. Y. Scott has charge of the work.

\$14,410 OF STATE MONEY GRANTED TO SCHOOLS IN COUNTY

Twenty-Nine District Institutions Will Get \$4,230 More Than Was Given Twenty-Four Schools Last Year—Other Communities Planning to Vote Bonds and Get Ready for Aid.

The rural schools of Wilbarger county will receive a total of \$14,410 from the State this year. This is an increase of \$4,230 over the county's apportionment for last year. The aid will be apportioned among twenty-nine schools, which is an increase of five over the number receiving money last year.

This leaves only about eleven schools in the county that will not receive aid. A number of these districts are preparing to vote a tax of 50 cents on \$100 valuation and otherwise to meet the requirements set forth by the State Department of Education preliminary to applying for aid next year.

The paying of money to the several districts is, conditioned upon the meeting of all requirements and the school must be in satisfactory condition when visited by the State supervisor. Failure to meet the mandates of the statute will mean cancellation of the allotment. County Superintendent J. N. Fulcher explains, "I sincerely trust that the trustees of the fortunate schools will now see to it that the sanitary conditions are met and take every precaution so that the grant will not be lost," Mr. Fulcher urges.

Money received from this fund is to be used only for payment of teachers' salaries.

Bourland Gets \$1,000.

Following is a list of the schools and the amounts they will receive, as announced in a statement received by Mr. Fulcher from Austin:

Crescent Cove, \$500; Doan, \$390; Elreno, \$500; Farmers Valley, \$400; Guyer, \$500; Hamik, \$475; James, \$375; Midway, \$450; Plainview, \$500; Sherwood, \$390; Red River, \$500; Kinchele, \$500; Jackson Springs, \$490; Hinds, \$500; Lockett, \$500; Haney, \$500; Fargo, \$500; Thompson, \$500; Elliott, \$500; East Vernon, \$500; Parsley, \$500; Antelope, \$500; Wildcat, \$440; Tolbert, \$500; Oklahoma, \$500; Odell, \$500; West Vernon, \$500; Bourland, \$1,000.

Midway, Plainview, Hinds, Thompson and Parsley did not receive State aid last year.

Mr. Fulcher applied for an apportionment in excess of \$500 for a number of schools but only in the case of Bourland was the application granted. The authorities will grant above this amount only in case of emergency or an unusual case and the Bourland exception was based on the fact that that district was compelled to spend \$1,000 in excess of the \$10,000 realized from its bonds in the construction of the new school building, due to the increase in cost of building material.

MEBANE COTTON BRINGS \$13.60.

Route A Man Has Picked Fifteen Bales And Has Twenty More Open On 80 Acres.

Frank Micola on Route A, Vernon, was in Vernon yesterday and sold a bale of Mebane cotton for \$13.60. He has picked fifteen bales and is certain he has twenty bales more open in his field of 80 acres.

Mr. Micola says he will make better than half a bale to the acre. He likes Mebane very much. "I made lots of grain, but have very little toughness to feed my stock," Mr. Micola said yesterday. "But with my cotton turning out well I will get through all right."

Mr. Micola came in town Wednesday night and had to wait until late Thursday before he could get his cotton ginned.

WHITE CITY BAPTISTS WILL ORGANIZE SUNDAY FOR DRIVE

The Baptist Church of White City will organize Sunday for the \$75,000, 000 drive, for which an educational campaign is now being carried on. Geo. J. Mason, county organizer, will be present.

Rev. W. W. Adams, pastor, will preach Sunday morning and Sunday night.

LOCAL DEALERS ARE BUYING WHEAT NOW

CONTINUATION OF PERMIT SYSTEM MAKES IMPOSSIBLE LARGE PURCHASES.

Although the movement of wheat is not what local dealers expected several weeks ago it would be at this date, the situation is considerably relieved with promise that the shipments will be materially increased at an early date. The permit system—a virtual embargo—is still in effect and is liable to continue for some time, men of authority seem to think. More permits are being issued for shipments to Galveston, however, and the movement of wheat promises to be materially increased in the future.

The Kelt Milling Company is again buying some grain, but the scattering permits received do not justify their handling any great amount. The Sewell Grain & Fuel Company have received permits for the shipment of eight cars recently and are again in the market.

Dispatches in the daily press announce that Representatives Parrish and Jones have been advised by the Administration of a material increase in wheat tonnage from Galveston. According to the statement, twenty-one of the thirty-one (thirty-one) bushels of wheat produced in Texas this year have already been moved and tonnage is in sight for use at Galveston in sufficient to carry six or eight million more.

Complaints filed with the Railroad Administration by Mr. Jones is much worse than in this section. The yield per acre in that country was as good or better than here; the acreage was much larger and the farmers had not nearly the storage capacity. The result is that thousands of bushels have been piled on the ground and exposed to the recent rainy weather. A large per cent of this grain will be a total loss.

The Railroad Administration also expressed the opinion that arrangements were being formulated for satisfactorily handling the increasing shipments of cotton.

O. T. Warlick went to Childress Monday on a business trip.

Oil lease of 4000 acres in solid body, part in Wichita and part in Wilbarger counties, near Geyer-Prater well. Also 5000 acres solid body, round timber ranch adjoining Neal Hamilton well, 3500 acres solid body southwest of Vernon; also many smaller leases of 40 acres up to any amount. See me, J. E. Lutz. \$3-4t

OIL MEN FLY TO VERNON

J. G. Hix of Wichita Falls Uses Airplane When He Misses Train Connection

Trains are too slow for the firm of Hix and Thompson, oil operators and oil lease brokers of Wichita Falls, so they are now using airplanes for business trips and oil scouting. The firm is made up of J. G. Hix, and W. P. Thompson, and much of their success and prominence in oil circles is due to the opening of the Kemp-Munger-Allen field, where they controlled the sale of a large portion of the oil leases adjacent to the property on which the much discussed well is located.

Monday Mr. Hix had important

business in Vernon and having missed railway connections, he took his aerial express and dropped in for his engagement long before the train arrived, returning to Wichita Falls in plenty of time to clear the way for action in the event good news came from the new field.

Messrs Hix and Thompson are former Tennesseans who have been unusually successful in the oil business since coming to Texas.

Miss Mabel Rockett visited Saturday and Sunday in Chillicothe.

This is to notify my friends and customers that I am located with R. L. Freeman's barber shop on North Main street. I shall be glad to have them call to see me. W. E. Bradford. \$4-3p

FORMER WILBARGAN URGES GROWING OF IMPROVED COTTON

WILL BOOST GOING TO SUNDAY SCHOOL

PRESBYTERIANS PLAN FOR TWENTY-FIVE PER CENT INCREASE IN ATTENDANCE.

Vernon children go to Sunday School a great deal better than their parents go to church, according to the experience of Rev. Gaines B. Hall of the Presbyterian Church.

"We are making a special effort to encourage attendance at Sunday School now," said Mr. Hall, "and we hope to get a twenty-five per cent increase in attendance by April 1, 1920. We are getting out a personal appeal to the parents in every home. Our aim is to get parents to bring their children to Sunday School, instead of merely sending them."

A teachers' meeting was held by the Presbyterians the first of this week and plans were made for increasing interest in going to Sunday School. Subsequent meetings of the teachers will be held at 3 o'clock the first Sunday in each month.

Mr. Hall has had a very successful year as pastor, with 57 accessions to the church during his pastorate. Of this number, 36 are either heads of families or are making their own way.

Harrold News.

Harrold, Nov. 6.—(By special correspondence.)—Miss Millie Jones of Panhandle came in Sunday for an extended visit with relatives here.

Cecil Luttrell who is a student of the Vernon High School spent the week end with home folks near Elliott.

Misses Ruby Martin and Daisy Moody, teachers in the Harrold school, attended the Halloween party given by Mrs. Myers of Electra Friday night.

O. S. Wilson was transacting business in Vernon Monday.

Miss Lela Chesney spent the week end with her sister, Mrs. Terrell Key of Electra.

Rev. J. W. Morgan will fill his regular appointment here Sunday at the Baptist Church. Everyone is urged to attend services.

John Dave and family of Electra are guests this week at the home of Mrs. J. N. Rook.

The Halloween party given by Miss Brant Strickland Saturday night was well attended. Everyone reported an enjoyable evening.

Mrs. J. C. Cameron was a business visitor in Electra Monday between trains.

Mr. and Mrs. Fletcher Luce of Vernon have moved to Harrold, where they will make their home. Mr. Luce is working in connection with the

Liberty Oil Company located east of here.

Mr. and Mrs. D. H. Vaughn, Jr. and Mrs. Tom Cobb were shopping in Electra Monday.

Mrs. C. C. Connell, who is very ill with typhoid fever, is reported to be improving.

Herbert Leverett, an employee of the Texas Garage, spent Sunday with his parents, Mr. and Mrs. T. B. Leverett of Vernon.

P. H. Robinson of Vernon was here this week en route to the Liberty Oil Company of which he is secretary.

Mr. and Mrs. Joe Chastani were shopping in Electra Saturday.

Mrs. Dora Houtchens and Miss May Stallings of Elliott were Harrold visitors Saturday.

Mr. and Mrs. S. M. Hale were guests in the W. A. Mudgett home in Vernon this week.

J. W. Harris was transacting business in Wichita Falls the first of the week.

Misses Grace and Frances Kelly were Electra visitors this week.

Miss Dublin Watkins of Clarendon, came in last week for an extended visit with relatives here.

Our lumber is all bright and new. Bennett-Rogers Phone 666.

Judge W. D. Berry made a trip to Crowell Tuesday in connection with court business.

"Knotty problem? Let me help"

—Ches. Field

"HELP" is right! A smooth, mellow smoke is just the thing, when you're up against a tough one. And Chesterfield is that smoke.

An expert and exclusive blend is responsible—finest, silkiest Turkish tobaccos from Xanthi, Cavalla, Smyrna and Samsoun, and the best varieties of Domestic leaf—put together by the manufacturer's private formula that brings out every last bit of flavor. No other process, no other blend, can successfully imitate Chesterfield's smoothness and full-bodied flavor.

No argument here! Chesterfields satisfy as no other cigarette has ever satisfied before.

Willard
STORAGE BATTERY

Uniformity

Uniformity is the secret of success of any good product.

It's the reason Willard Batteries with Threaded Rubber Insulation are making such a wonderful record of long life without repairs.

Ordinary materials used for insulation between battery plates are taken just as they come from nature and can't be made uniform by any process.

But Threaded Rubber Insulation is built up by a scientific manufacture. Every piece of it is like every other and almost invariably Threaded Rubber lasts as long as battery plates.

No wonder many of these batteries have given three and four years of uninterrupted good service.

Drop in and get the whole story.

Vernon, Texas, Friday, Nov. 7, 1919

WHAT CAUSES THE UNREST.

Samuel Gompers likes his beer. There's nothing heinous in his liking it, probably. No doubt he can't help liking it. But Samuel Gompers is a public character. His long years of successful leadership of the forces of labor in this country have won that distinction for him. So when Samuel Gompers declares that prohibition is responsible for the spread of bolshevism in America a member of things happen as a result of that statement, in conjunction with the fact that he is a public character.

One of those results is that the statement is given wide publicity. In fact it has been heralded abroad quite as much as if it had been a statement from the ex-kaiser at Amerongen declaring that he attributed his downfall to a double negative or to Tanlac.

Another result is that all who were opposed to prohibition before they read the statement feel that it is eminently justified, while all anti-saloon thinkers will find the declaration of the labor leader largely a matter of moonshine and a hankering for a stein or two.

Shortly after Gompers had delivered himself of this piece of reasoning, William Gibbs McAdoo asserted that the present day unrest was due to delay on the treaty.

The process of reasoning by which these gentlemen arrive at their conclusions is something like this: "All causes precede their results. Bolshevism and unrest constitute a result preceded by prohibition. Therefore prohibition is the cause of bolshevism and unrest. Q. E. D."

The only trouble about this reasoning is that it isn't so. The adoption of the gold standard, the abolition of slavery, the discovery of the North Pole, the agitation about spots on the sun and the fall in the Garden of Eden all preceded bolshevism and unrest—and have every bit as much to do with unrest as have prohibition and the delay on the peace treaty with race riots and sabotage in industrial plants.

It must be admitted that prohibition may have disquieted some. But as between "unrest" and delirium tremens, the country has very wisely enforced "unrest" on the toppers of America.

As for that part of America which was not composed of toppers when prohibition came into effect, any unrest now noticeable is due more to too much rest and not enough work than it is to any other single cause. The nation and the world will never be right and will never be content until all the workers earn their right to the name by getting back to work, so that America and the world can produce enough to supply the wants of America and the world. It all boils down to a matter of less resting and less unrest.

OPPORTUNISM AND LAW.

"Now is not an opportune time to attempt to enforce . . . law."

This is practically what the district attorney at Fort Worth said when asked by the ministers of his city to enforce a statute of the State of Texas. What he actually said was: "Now is not

an opportune time to attempt to enforce the Sunday closing law with reference to picture shows and theaters." But at bottom, his declaration means the same thing, whether the reference to the specific statute is included or omitted.

The notion upon the part of public officials that some laws were made to be enforced and some to be ignored, is responsible for the large number of people in private capacity who look on all laws as dead letters. The surest breeding place for anarchy is the place where enforcement of law is lax and the maintenance of order is a jest.

The secondary reason why the Fort Worth man is not going to enforce the law in Fort Worth, it developed in his statement to the ministers' association, was that Dallas officers had declared they would not enforce the law. If anything, this is a bit more bald-faced than the original statement. Having sworn by the help of the Almighty to see that the laws of the land are obeyed, the conscience of this elected instrument of justice is soothed to sleep with the comforting thought that the Dallas officers are also violating their solemn oaths.

There is but one policy that can restore a respect for law in this country, and that is the policy of enforcing every law to the limit, whether that law be wise or foolish. The wisdom or unwisdom of a law is not a question for the man who has sworn upon his honor and his faith in God to enforce all laws. The opportuneness or inopportuneness of prosecuting defiant lawbreakers is not a matter to be debated by any law abiding citizen.

A statement from a supposed enforcer of the law such as that attributed to the district attorney at Fort Worth is more calculated to undermine the institutions of our government than a cart load of out-and-out anarchistic literature.

"BACKING UP THE TEAM."

According to dispatches from Austin, President Vinson of the University of Texas has threatened to wipe out intercollegiate athletics so far as the university is concerned, unless students refrain from wagering on the games.

It seems that Rice Institute played at Austin last Saturday, and the word got out that Rice had "ten thousand dollars of cold money" that said Rice was going to win and that the money was on deposit in an Austin Bank. The rumor was more than the university boys could stand, and they "covered" the Rice offers so thoroughly that something like \$30,000 in stakes was up on the game. Vinson proposes to stop this or stop athletics.

There is no sort of doubt that Texas is with Doctor Vinson in his stand. Still, the students at the university are not the only people to whom the line of demarcation is a bit hazy between the sportsman and the "sport."

If you doubt this last statement, consider how the market in a certain well known brand of felt hat is boomed immediately following every general election where the outcome is in doubt for some time prior to the counting of the ballots. The feeling that a man, to be a man, must back up his judgment and his "side" with his money is found all over the State.

Vinson is right. Gambling and fair play never have and never will live side by side. And whenever fair play has gone out of a game it is no longer a game. Either football must oust betting or betting will oust football from college society.

CRACKED RECORDS.

Try Them on Your Funnygraph.

Whether you have an ax to grind or not, it would be a good idea to get it out and shine it up. Coal is scarce and is going to be scarcer. We are all going to have to chop wood.

The president's illness may have had something to do with his veto of the war time prohibition bill. He may have felt the need of a little toddy.

The old fashioned girl who can't wash her hair without rain water hasn't had to go begging in Vernon lately.

The hen's argument was "more sunshine or less eggs."

T. M. Gilmore would give to every American family, through the parcels post, a jug of "that which enlivens" for medicinal purposes. But what, thinks the sociologist, will be the effect of this plan on the American family. Isn't this going to mean the disintegration of the family or is it going to boost against race suicide. Goodbye batchelor girls and old maids. Farewell, ye club inhabiting old boys. The large family too, is likely to be divided, and subdivided in order to make it possible for more of the folks "getting in" on the of medicine.

At last it has been discovered what a profiteer is. He is the man that the man you talk to buys his goods from.—Evening Missourian. Unless the man you talk to happens to be buying from you.

To speak fluently in public is a rare gift, but to say the right thing at the right time is one of the most precious of all heritages.—Electra News. But best is the gift of saying nothing at the right time.

A Kansas freak legislator wants a law compelling married women to wear

some insigna showing that they are married. Why not a badge with the word "Stung?"—Obey Enterprise. But if their husbands would stick around a little better, that would be superfluous.

Many Buy Cars This Week.

Smith Auto Sales Company report the sale of a Columbia roadster to Mrs. Grace Allman and a Columbia sport model to Lester Miller. Robinson Motor Company sold a Buick touring cars to Sam Kelley of Harrold; S. S. Bell of Crowell; Emory Rhoads and A. M. Bourland of Vernon. Dr. Hines Clark of Crowell bought a Buick roadster and Davis & Gattis of Chillicothe bought a Republic truck from the same firm. Napier Bros. Ford & Motor Agency report the sale of a touring car to J. W. McCrary, a roadster to C. H. Dalmasso and a coupe to W. O. Anderson.

Notice.

I have turned over my books and old accounts to J. E. Stovall. Those knowing themselves to be indebted to me will confer a great favor by seeing him at Ferguson's drug store and making settlement.

If it's a wash room you're looking for before you eat, come to the White Rose No. 2. Adv. 78-11c

Mrs. J. M. Underwood has returned from a visit with his brother, H. B. Farrell, at De Leon. Mrs. Swartwood was also in Fort Worth during the grand opera series given there.

A Message to Parents

No doubt you have given much consideration to the future of your children. Their success in life is your greatest concern, and the problem of insuring this SUCCESS REQUIRES your most CAREFUL and SERIOUS CONSIDERATION. An investment in a THOROUGH, PRACTICAL BUSINESS EDUCATION is better, by far, than an investment in lands, cattle, or oil stock. The EDUCATION CAN NOT BE LOST, STOLEN or SQUANDERED. It never depreciates in value; is always ready when needed. It assures its possessor a good position and a good salary. It produces self-reliance and helps them to help themselves. If your young people are specially trained, they can capitalize on this training as long as they live.

We give one of the most THOROUGH COURSES in BUSINESS TRAINING that is given in the State. We strive to give to every young man and young woman that CLOSE PERSONAL ATTENTION, which meets their personal needs, and this, no doubt, is the reason of the great success of our pupils.

Those in need of office helpers should confer with us. WE HAVE EFFICIENT YOUNG MEN and WOMEN and will recommend only those FITTED for the position.

HOLCOMB'S TRAINING SCHOOL

Lay a bet on rolling 'em with

PRINCE ALBERT

the national joy smoke

ROLLING your own cigarettes with Prince Albert is just about as joy'us a sideline as you ever carried around in your grip! For, take it at any angle, you never got such quality, flavor, fragrance and coolness in a makin's cigarette in your life as every "P. A. home-made" will present you!

Prince Albert puts new smokenotions under your bonnet! It's so delightful rolled into a cigarette—and, so easy to roll! And, you just take to it like you been doing it since away back! You see, P. A. is crimp cut and a cinch to handle! It stays put—and you don't lose a lot when you start to hug the paper around the tobacco!

You'll like Prince Albert in a jummy pipe as much as you do in a home-rolled cigarette, too! Bite and parch are cut out by our exclusive patented process. You know P. A. is the tobacco that has led three men to smoke pipes where one was smoked before. Yes sir, Prince Albert blazed the way. And, me-o-my, what a wad of smokesport will ripple your way every time you fill up!

Awaited your say-so, you'll find toppy red bags, tidy red tins, handsome pound and half pound tin humidor—and—that classy, practical pound crystal glass humidor with sponge moisture top that keeps Prince Albert in such perfect condition!

R. J. Reynolds Tobacco Company
Winston-Salem, N. C.

How the Experience of Years Saves Money in This Post-War Maxwell

THE run of 300,000 Maxwells to date saves you many a worth while dollar in the new Post-War Maxwell. Those 300,000 saved in many ways.

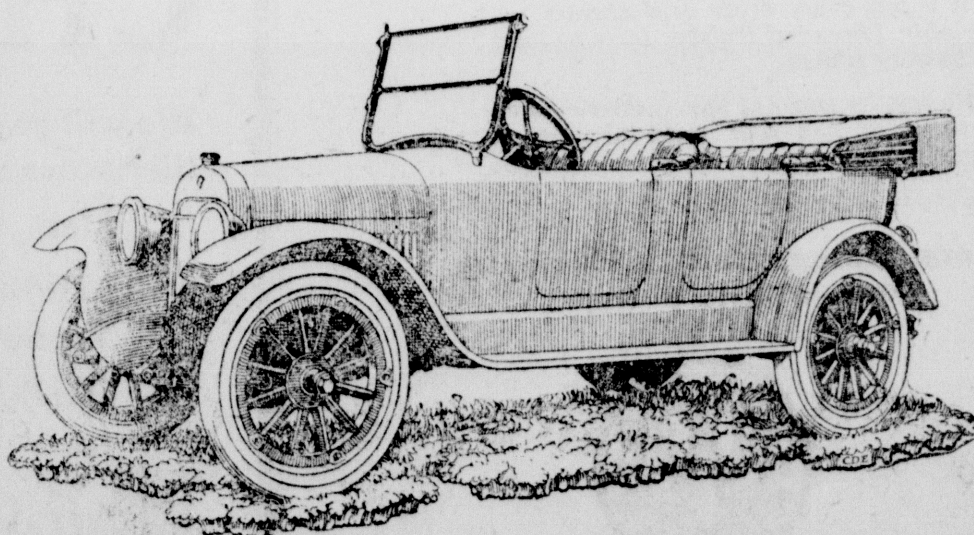

More miles per gallon
More miles on tires

1. They taught "short cuts" in manufacturing.
2. They eliminated all experimental work—you don't have to pay for a single engineering mistake.
3. They developed quantity production which has reduced "overhead."
4. They enabled quantity purchases; and better materials are bought at lower costs.
5. They taught how to build an almost trouble-proof car; you seldom take a Post-War Maxwell to a repair shop.
6. They taught how to get the most mileage out of a gallon of gasoline, a pint of oil and a set of tires.
7. They taught how to build a car that the less skilled driver would find simple to operate and take care of.
8. They taught that it was better to build more and take less profit per car rather than build less and take more profit per car.
9. They taught how to put more and more value in the car without increasing its cost.

This Post-War Maxwell is next year's car. It contains features developed during the war, many of which will find their way into other cars in the summer of 1920.

WORKS AUTO & SUPPLY CO.
VERNON, TEXAS

GOOD PAY OFFERED CENSUS WORKERS

DISTRICT SUPERVISOR SAYS WOMEN WOULD MAKE EXCELLENT ENUMERATORS.

District Supervisor M. W. Burch is looking to the women to supply enumerators for taking the census in Wilbarger county. Twelve persons are needed. Only four applications have been received.

Mr. Burch was in Vernon yesterday, coming here from his home in Decatur, to see about getting the necessary enumerators. "One person can register from 1,500 to 2,000 names in the two weeks during which we expect to take the census," he said. "Of course, that depends on how hard they work."

Four enumerators will be assigned to Vernon, and eight are needed in the county, one for each justice district. These workers receive 4 cents for each person enrolled, and an additional amount for farm schedules, livestock, and other listings required. In this way, Mr. Burch figures an active worker should earn \$12 to \$15 a day.

Women are particularly fitted for this work, according to Mr. Burch, and civic pride should impel some of them to apply for the appointment. Vernon must live for ten years under the figures shown by this census, Mr. Burch points out, and every industry whose management figures on coming here will wait until the census reports can be consulted.

Applications should have been in Mr. Burch's office, but permission has been granted to file applications until the time for examination which is Saturday, November 8. Application blanks may be had of Postmaster J. V. Townsend. Men or women between the ages of eighteen and seventy are wanted.

The census will be taken during two weeks, beginning January 2, 1920.

METHODIST WOMEN ARE TOLD LOCAL CHURCH SHOULD LEAD

The Methodist congregation was somewhat disappointed Sunday night when it was learned that Mrs. J. W. Downs of Nashville, Tenn., general educational secretary of the Woman's Council of Southern Methodism, was called Saturday to Mineral Wells by a message advising that her son must be carried to Dallas for an operation. She was in Texas for the benefit of the boy's health and had accepted an invitation extended by her former pastor, Rev. Henry F. Brooks, to speak at the Sunday evening service and again Monday to the women.

Mrs. T. C. Delaney of Memphis, conference secretary of the young people's work, and Mrs. J. H. McDonald, district missionary secretary, delivered short addresses at the evening service, outlining their work and urged the women of the church to be present at the meeting Monday, held for the purpose of discussing in detail the work of the women in the Northwest Texas Conference and especially the Vernon district. They were followed by the pastor, Rev. Brooks, who preached on woman's work.

Following a reception tendered the visitors Monday, Mrs. Delaney talked on consecration. Urging a life of service, the speaker reminded the mothers of their responsibility as an example to their daughters. She was followed in a short address by Mrs. McDonald, who emphasized the importance of missions and explained that the Vernon church should, without question, lead other churches in this district. She explained the rising importance of woman in the church and pointed out that her responsibility is becoming greater every year.

Mrs. Delaney met with the young women at four o'clock and effected an organization of a young women's missionary society. Miss Helen Ferguson was elected president. Other officers are: Miss Ruth Carney, vice president; Miss Thelma Sherrill, corresponding secretary; Miss Lois Morris, recording secretary; Miss Dorothy Mayes, treasurer; Miss Mildred Young, secretary of social activities; Miss Mary McHugh, superintendent of social service. Mrs. D. W. Mayes is superintendent of young women's work.

The new society will meet every Friday afternoon. Two meetings a month will be devoted to mission study, one to Bible study, and one will be a social and business meeting. The first meeting will be Friday afternoon at 4 o'clock with Miss Mildred Young.

FOSTER'S WEATHER BULLETIN

(Copyrighted by W. T. Foster.)

Washington, D. C., March 7, 1919.

Warm waves will reach Vancouver about November 9, 15 and 21 and temperatures will rise on all the Pacific slope. They will cross crest of Rockies by close of 10, 16 and 22; plains sections 11, 17 and 23; meridian 90, great lakes, middle Gulf States, Ohio-Tennessee valleys 12, 18 and 24; eastern sections 13, 19 and 25, reaching vicinity of Newfoundland about November 14, 20 and 26. Storm waves will follow about one day behind warm waves and cool waves about one day behind storm waves.

These disturbances will dominate the weather of North America from near November 9 to near November 26. Near November 9 the storm forces will be at their greatest intensity but no great storms are expected. Quiet weather is expected from 14 to 18 and very severe storms from 20 to 28. It requires four or five days for these storms to cross the continent from Pacific to Atlantic coast and the reader should take enough interest in the newspaper reports to know where these

storms are every day; then these forecasts will be of much greater value.

Rain and snow fall on that side of the high and low nearest the place from whence comes the moisture. At time of the storms mentioned above the moisture that feeds them will be evaporated in the Caribbean Sea and Gulf of Mexico and therefore the rain and snow will fall on the southeast sides of the highs and lows. The lows are the storm centers into which the clouds assemble, the warmest weather occurring in their southeast quadrants.

The highs bring the cool, clearing weather. Frosts are expected to extend southward following each of these storm periods and most precipitation is expected south of the high ridges that run east and west. Temperatures of this 17-day period are expected to average a little warmer than usual east of Rockies crest and a little cooler than usual west of that line. Average of cropweather for winter grain and for cotton picking and gathering corn will be fair. Keep your pickets alert for the bad storms November 20 to 28.

A Renown Corn For Every Use

Any well-stocked grocery can offer you a Renown Corn for every use. The three varieties under this famous brand—each good in its own way—will cover the dictates of any group of appetites. And by varying the three, you also have an opportunity to use a delicious, satisfying and economical food as often as you like.

Renown Maine Sweet Corn

is the white corn of the group. It has all the flavor of fresh roasting ears, wholesome and tender. For the ordinary uses of corn, with which every housewife is familiar, Renown Maine Sweet Corn has no equal.

Renown Fritter Corn

is the heart of Maine Sweet Corn, granulated, to be used especially in corn fritters, soups, hot cakes and the like. Fritter Corn is a new-comer to the ranks of Renown, but is due for great popularity. It has a delicate, pleasing flavor that appeals to everyone. On every can, too, is printed a number of recipes for its use.

Golden Bantam Corn

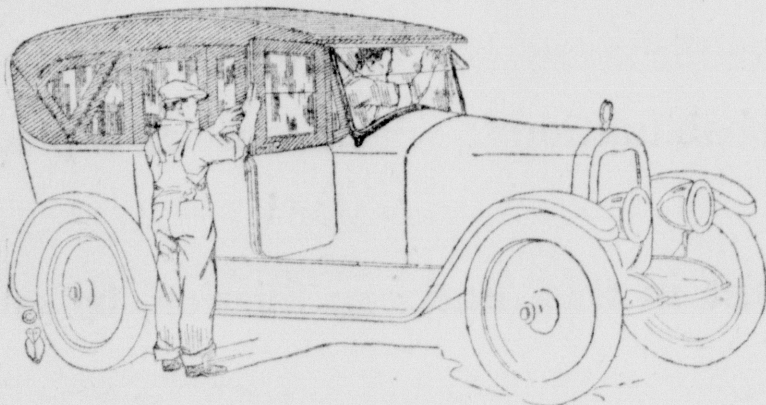

is a real epicurean delight. Honey-sweet, luscious grains, golden in color, fresh and tender, makes it a new kind of corn to the folks of the Southwest. It has its own distinctive flavor, one you'll like quite as well as white corn.

The undoubted quality of all Renown goods finds full expression in Renown Canned Corn, for the policy of the house of Boren-Stewart to go after the best food products—no matter where they are found—is followed to the letter. Renown Canned Corn comes from Maine, as the best food corn grown in the world is found there.

Boren-Stewart Company

Home Office and Factories: Dallas.

Branch Houses: McKinney, Terrell, Fort Worth, Waco, and Denton. Renown Brand Vegetables Include: Lima Beans, Stringless Beans, Peas and Beans With Tomatoes, Sweet Corn, Apples, Peas, Cans, Dried Beans, Lima Beans, Cans and Tomatoes, Sweet Potatoes, Pumpkin, Red Kidney Beans, Spinach, Tomatoes.

Dress Up Your Car

A new top such as we put on a car will make your old machine look like new.

Then too, you have the satisfaction of knowing that it is rain-proof, a matter of importance with the Fall rains.

Seat covers not only add to the appearance of your car but make it possible for you to keep your clothes clean. Soiled Covers may easily be washed in the regular way. Stop in any time. We will be glad to show you how little it will cost to "Dress Up" your car.

Perkins-Timberlake Co.
ASSOCIATED STORES

November 4, 1919.

Dear Madam:

For the past ninety days our plant has been idle as a direct result of a very unfortunate accident in our power plant. We have at last resumed permanent operation at home and it is useless to say that our employees, as well as ourselves, welcomed the day of the HOME COMING, as we have in the meantime supplied our trade from Wichita Falls.

By honest, conservative and untiring effort, we have established an enviable reputation for our CELEBRATED BELLE of VERNON FLOUR with the discriminating flour consumer, and with the proper conception of modesty, it is with pardonable pride, that we call your attention to the appreciation of our efforts, "TO DO A LITTLE BETTER WHAT OTHERS ARE SATISFIED WITH DOING WELL."

Our BELLE of VERNON FLOUR, "MILLED IN VERNON," has no superior and few equals, if any, and each bag is sold on merit alone and bears our GUARANTEE printed on the back, which insures satisfaction and eliminates the regrets of baking, making it a pleasure rather than a task. As evidence of this fact we are pleased to quote the following letter received from one of our many good customers:

"Kell Milling Company,
Vernon, Texas.

Dear Sirs:

Enclosed you will find check for eight hundred and eight dollars and twenty cents, (\$808.20) to cover invoice of 9-16-19. This flour has proven satisfactory to all of our customers and there is no doubt in my mind, that BELLE of VERNON FLOUR is as good a flour as is manufactured in the State of Texas.

"Eddy, Texas, October 3, 1919.

"Yours very truly,

"(SIGNATURE)"

As we burn the mid-night oil in our plant, you, perhaps, do not realize that we are extensively advertising and boosting our little City, by making our BELLE of VERNON FLOUR a household necessity. If we merit the good will, confidence and patronage we enjoy from others in our Lone Star State, as well as Foreign Lands, are we not entitled to the co-operation, loyalty and patronage of our own people with whom we live and serve?

We live in a day of service, and if we may have the extreme pleasure, as well as the privilege, of serving you on your future flour requirements, through your local dealer, we will consider ourselves fortunate indeed and we thank you.

Yours very truly,
KELL MILLING COMPANY.

P. S.— HOW TRUE?

Old songs are sweetest,
Warm friends are best,
Our Customers are all warm friends,
Are you?

VERNON'S TASTE IS FOR FICTION FIRST

**HAROLD BELL WRIGHT IS FAVORITE
AUTHOR OF MAJORITY OF
LIBRARY PATRONS.**

Vernon's reading taste is decidedly for fiction, according to Miss Lillian Newton, Carnegie librarian. Of the 1,231 volumes loaned during October, 1,113 were fiction. The circle of those who avail themselves of the privileges of the library is getting larger and larger. Miss Newton reports, 2,406 persons now holding membership cards. An unusual number of new members were added during October.

Harold Bell Wright tops the list of favorites for library patrons with his "Recreation of Bryant Kent," Miss Newton finds. Second place goes to Rupert Hughes with his "Unpardonable Sin." The "Red Pepper" series by Grace S. Richmond has third place, while other popular selections in the order of local preference are: Arthur B. Reeves, "The Romance of Elaine"; Ella Wheeler Wilcox's autobiography; Zane Grey, "Riders of the Purple Sage"; V. B. Dunbar, "The Four Horsemen of the Apocalypse"; "The Real Col. House, a biography"; "The Real Burroughs"; "Tarzan of the Apes"; "Patricia Brent, Spinster" (anonymous).

In verse James Whitcomb Riley leads, with Henry Van Dyke as closest rival, while among the English classics Dickens and Scott and Thackeray still have their readers. Child psychology books find a ready demand and back numbers of the magazines are much called for.

Asked what was the chief need of the library, Miss Newton responded instantly, "Money to buy more books." Scientific books on such subjects as electricity, mechanics and nature study are badly needed she said.

The library is open from 8:30 to 11 a. m., and from 2 to 6:30 p. m. Owing to the fact that there is no assistant librarian it has not been found practical to keep open at night.

Thalia News.

Thalia, Nov. 6.—(By special correspondence.)—Rains which threatened to ruin cotton and feed stuff have let up and farmers have gotten a reasonable number of helpers to pick cotton. With a few weeks of fair weather, this community will almost catch up with its work.

Miss Belle Abston entertained the young people with a party Saturday night.

Mrs. H. W. Baister and children spent Thursday with her parents, Mr. and Mrs. J. G. Thompson.

S. P. Kenney of Knox City, was here Friday on business, returning the same day.

Ab Miller of Clarendon is here, looking after his farms and shaking hands with his many friends.

Dave Schultz of Vernon visited his brother, Allen, here Saturday night and attended the party at Belle Abston's.

Walter Long made a flying trip to Vernon Friday morning.

Hugh Thompson and brother, John, and Grover Nichols, and Wright Randolph, all went to Vernon Wednesday and returned Thursday with three loads of coal. Henry Randolph accompanied them to Vernon where he took the train in search of cotton pickers.

R. B. Edwards of Crowell was here Wednesday transacting business.

Mrs. Gordon Davis was shopping

ALL CHILDREN LOVE "SYRUP OF FIGS" FOR LIVER AND BOWELS

Give it when feverish, cross bilious, for bad breath or sour stomach.

Look at the tongue, Mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle thorough cleansing at once.

When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad; has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well playful child again.

You needn't coax children to take this harmless "fruit laxative," they love its delicious taste, and it always makes them feel splendid.

Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine, ask to see that it is made by "California Fig Syrup Company." Refuse any other kind with contempt. 85-12

here Thursday afternoon.

John Remels and Loyd Porter returned the first of the week with a number of cotton pickers from Wise county.

Born—To Mr. and Mrs. J. K. French, October 16, a girl.

J. K. French returned Wednesday from points in Oklahoma with a number of cotton pickers.

Ab Martin of near Rayland was visiting in the Will Newbrough home Monday and Tuesday.

Lat Johnson, returned Wednesday from Sulphur Springs, where he visited his daughter.

Mrs. John Bradford and daughter-in-law, Mrs. Ben Bradford, visited Mrs. Otto Schroeder Monday afternoon.

Mrs. J. G. Thompson and Mrs. Otto Schroeder have been quite sick the

past week, but are able to be up at this writing.

A few of the young people gathered at the home of Mr. and Mrs. Allen Schultz Tuesday night and played 42.

John Bradford had the misfortune of getting his horse cut severely on a barbed wire fence when it ran away Saturday morning.

Buell, Lee and Flora Bradford attended a "42" party at Luther Cribb's Thursday night.

Mrs. J. A. Abston and daughter, Belle, spent Thursday night and Friday with their daughter and sister, Mrs. Fred Remels and family.

Elmer Key and Loyd Porter each took a bale of cotton to the gin at Margaret Saturday morning.

CHEERY HOSPITALS WAS FINEST SIGHT

MR. AND MRS. W. C. LUNDY RETURN FROM TRIP TO CONFEDERATE REUNION.

Mr. and Mrs. W. C. Lundy of Tobert Route 1, have returned from Atlanta, Ga., where they attended the reunion of the United Confederate Veterans. Mr. and Mrs. Lundy have been away from Wilbarger county since July 1, leaving on that date for a visit with friends and relatives in Georgia prior to attending the reunion.

"The finest thing I saw while I was gone," said Mr. Lundy, "was the government hospital for the wounded at Fort McPherson. The place was absolutely spotless. Our wounded were there by the thousands, I suppose, and they were just as cheerful as could be. There were numbers of them that were blind. Others were having bone grafted into their legs and arms. The worst cases were those who had been gassed and who were still suffering from it. But all of them were hopeful and were planning what they would be doing when they got out of the hospital."

Mr. Lundy, marched in the parade of veterans, being one of a two-mile-long procession. Many of the old "Johnny Rebs" were able to foot it with the best of them, he said. Mr. Lundy is 75 years old, coming out of the war at the age of 21 with three years of service to his credit. He and his wife came to Texas in 1872. They lived in Wilbarger county eighteen years and have a wide circle of acquaintances.

Mr. Lundy was delighted with the treatment accorded the old soldiers by the citizens of Atlanta. "They took us into their private homes and treated us like—well, they treated us like heroes, that's what they did. It couldn't have been any nicer."

County Superintendent J. N. Fulcher returned Wednesday morning from a visit with relatives in Jack county. He stopped over en route from Waco, where he had been attending the State encampment of the W. O. W. held in Waco. He was a delegate from Tolbert lodge.

BAPTIST YOUTHS EAGER TO SERVE

AIM OF 75 MILLION CAMPAIGN FOR 5,000 ADDITIONAL WORKERS SURPASSED.

The Baptist 75 Million Campaign will have plenty of workers to carry out the enlarged program of the denomination when the funds have been raised. Dr. L. R. Scarborough, general director, announces, following the holding of special enlistment services in the Baptist schools and churches of the South. A minimum of 5,000 additional ministers, missionaries, Christian teachers, doctors, nurses, and other special workers was asked for and while the reports from the enlistment services are not complete, the indications are that the number of volunteers will greatly exceed the minimum sought.

From twenty of the 132 Baptist educational institutions in the South there came the information of 2,000 volunteers for Christian service wherever God might direct, and the indications are that the minimum of new workers sought will be realized from the colleges alone. The response from the church promises to be equally liberal. Baylor College, Belton, Texas, led in the number of consecrations to special service, with a total of 430, while Bessie Tift College, Forsythe, Ga., was next with 248. The Women's Training School at Louisville furnished 115; Louisiana College at Alexandria, La., 93; Carson-Newman College, Jefferson City, Tenn., 62; Central College, Conway, Ark., 67; Bethel College, Russellville, Ky., 36, with 63 additional ones agreeing to take God into partnership with them in their business and professional careers; Gibson-Mercer College, Bowman, Ga., 28; Howard Payne College, Brownwood, Texas, 14; Baylor University, Waco, Texas, 18, and Oklahoma University, Shawnee, Okla., 57.

DAWDY & MCKINNEY
Office in Old Perkins-Timberlake Building.

Tested 250,000 Miles Three-Point Cantilever Springs Greatest Improvement Since Pneumatic Tires

OVERLAND 4 has been put through the most thorough and severe test possible.

250,000 miles of mountain trails, desert sand, heat, cold, mud and dust, demonstrated the quality of every part of the car long before we began manufacturing.

This remarkable test showed conclusively that Three-Point Cantilever Springs, exclusive with Overland, are the greatest improvement in riding comfort since the introduction of pneumatic tires.

They protect the car from road shocks and prolong the life of every part.

They enable the wheels to hold better to the road. They give

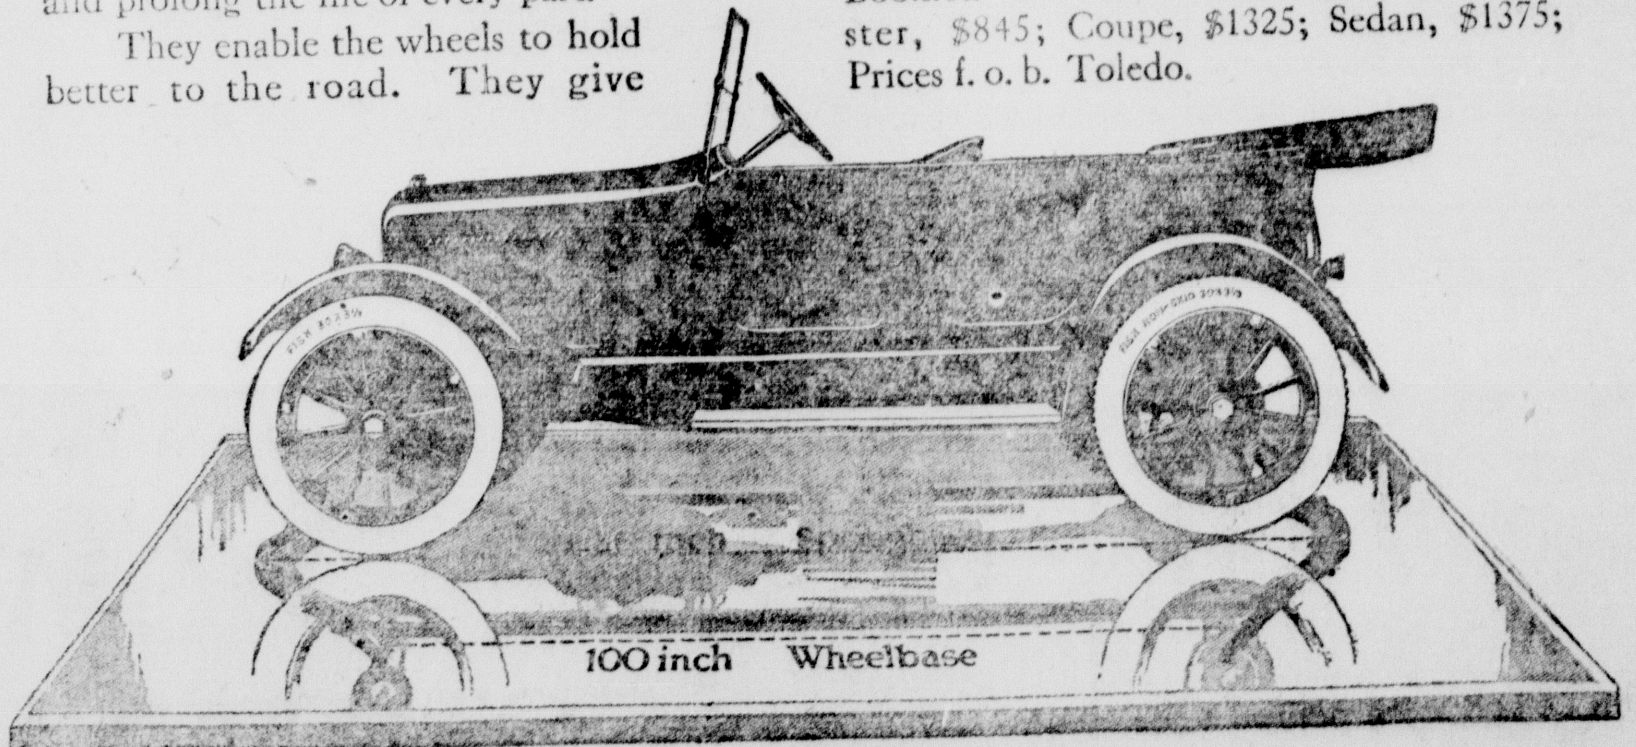

greater comfort under all road conditions.

They do away almost entirely with side sway and rebound which twist and rack the car.

Diagonal attachment of the Three-Point Springs at both ends of a 130-inch Spring-base gives the steadiness and smooth riding of the heavy car of long wheelbase.

Equipment is complete from Auto-Lite Starting and Lighting System to Marshall Divan Spring Upholstery.

Come in and see this car. Ask for Booklet. Overland 4 Touring, \$845; Roadster, \$845; Coupe, \$1325; Sedan, \$1375; Prices f. o. b. Toledo.

Vernon Home Oil Company,
Vernon, Texas.

Gentlemen:—

I have made a very thorough examination of your lease holdings adjoining the city of Vernon, Texas, as follows:

GEOLOGICAL REPORT.

There is a great Anticline between the North and the South Red River. It includes the Burk Burnett Field, and extends North of North Red River, in direction of the well recently brought in near Granite, Oklahoma. The field extends South and East, including the Electra field, and South a greater distance. The immense fold in the earth supports many local and minor fields. One of the Minor Anticline folds extends from the Northeast, and West of your holdings, through that territory which your lease is located. Prospecting up to the present time has proven that the oil measure extends for a greater length from the Northeast to the Southwest than was thought possible at one time.

CONCLUSION.

IN CONCLUSION: Your lease holdings, in my opinion, being on the same Anticline Structure as the immensely rich oil wells of the NEW BURKURNETT POOL, and only a few miles Northwest, which is a most favorable direction, it is quite probable you will encounter oil horizons at various depths, 1650 to 1800 feet. I have made three locations, one on what is known as the Krebs farm, which I consider a likely territory, as the acreage is located on the same structure as the Byars farm well.

My second location was made on what is known as the Sheppard farm; in my judgment this is all good acreage, and will prove to be very profitable to your Company; however, I believe this will be small production but will pay well if properly handled.

My last location was made on the Green farm joining the City Limits of Vernon. I worked this carefully and fully believe the drill will bare me out when I say you should get a fine producer on this acreage which passes through the Southeast portion of the City of Vernon.

A detailed report of this may be had at any time as I have a complete record on file in my office. Yours for a better future.

Respectfully submitted by,

(Signed) J. POUTRA, Geologist.

NOTE.

In case of an oversubscription we reserve the right to return your application with the full amount subscribed.

P. S.—In our first ad we told you according to the Geologist, Vernon and surrounding territory rests above an oil pool. The above report speaks for itself. Remember each and every share of this stock purchased by you entitles you to one chance to win the beautiful 5-Passenger Cadillac Automobile which we are giving away to some one of our stockholders. The stock is \$10.00 per share, fully paid and non-assessable. You pay nothing for the numbers. They are given you absolutely free. The more shares you purchase the more numbers you receive.

YOUR FRIENDS HAVE BOUGHT AND ARE BUYING THESE SECURITIES. SOME ONE IS GOING TO GET THIS CAR. WILL IT BE YOU?

COTTON CROP PUT ABOVE VOTING ON SIX AMENDMENTS

Citizens of Five Election Boxes Too Busy to Trouble About Taking Time to Cast Ballots—Galveston, Prison, Confederate and University Measures Carried by Small Majorities.

With an exceedingly light vote, with two boxes missing and no election held in five others, the results received at the county clerk's office upon Tuesday's election show that four out of the eleven propositions submitted to the people carried in Wilbarger county.

Haney and Elliott have not been heard from, and the election officials at Fargo, Odell, Ronda, Guyer and Highland evidently consider that cotton picking is more important than voting on constitutional amendments.

Confederate pensions, profit sharing in the penitentiaries, Galveston seawall bonds and the separation of the University from the Agricultural and Mechanical College carried, while the proposals for state bonds for good roads, raising local tax limits and calling a constitutional convention were snowed under.

From boxes which have reported so far the results are:

Upon the amendment authorizing \$75,000,000 State bonds for good roads purposes:

	For	Against
West Vernon	26	36
East Vernon	25	23
Oklahoma	20	27
Harrold	6	7
Mack	0	9
Doans	0	6
Hinds	1	9
Farmers Valley	3	4
	81	121

Upon the amendment providing increase in tax limit for the purpose of providing Confederate pensions:

	For	Against
West Vernon	35	29
East Vernon	40	7
Oklahoma	23	4
Harrold	11	2
Mack	1	7
Doans	3	3
Hinds	5	5
Farmers Valley	5	1
	123	58

For profit-sharing system in the penitentiary management:

	For	Against
West Vernon	37	24
East Vernon	31	19
Oklahoma	24	2
Harrold	8	5
Mack	1	7
Doans	0	6
Hinds	2	7
Farmers Valley	4	3
	107	73

To allow Galveston and Galveston county to issue bonds up to \$5,000,000 against their taxable value for additional defence works against storms:

	For	Against
West Vernon	44	12
East Vernon	29	15
Oklahoma	22	4
Harrold	9	4
Mack	2	7
Doans	3	3
Hinds	8	2
Farmers Valley	4	2
	120	49

Permitting tax levy for building of roads, bridges, streets, and the like,

Prejudice Against Glasses

Persons are often prejudiced against glasses and sometimes positively refuse to wear them even when they know they are imperatively needed.

But a contest with age is hopeless, and it is the part of wisdom to yield gracefully to the first summons to surrender.

We are prepared to give you advice in this matter—correct advice, time-saving, sight-saving advice. We are properly equipped for making thorough and intelligent examinations of your eyes and if you need glasses, will furnish them at as low a figure as correct lenses and perfect fitting frames can be had anywhere.

E. M. Leutwyler
Jeweler and Optician

with limit at 30 cents and a special tax of 50 cents:

	For	Against
West Vernon	28	35
East Vernon	21	26
Oklahoma	18	9
Harrold	3	10
Mack	0	8
Doans	6	0
Hinds	1	8
Farmers Valley	4	3
	81	99

Separating the University of Texas from A. & M. College:

	For	Against
West Vernon	37	25
East Vernon	31	17
Oklahoma	21	5
Harrold	7	6
Mack	1	8
Doans	1	5
Hinds	5	5
Farmers Valley	5	2
	108	73

Calling a constitutional convention:

	For	Against
West Vernon	24	25
East Vernon	18	9
Oklahoma	8	9
Harrold	4	7
Mack	0	8
Doans	1	5
Hinds	1	9
Farmers Valley	1	4
	57	76

Latest returns from the State are that the Galveston bonds, and the Confederate pension measure were successful, with a likelihood that all other propositions were defeated.

FARGO BOY BRINGS BRIDE HERE.

Melvin Green Marries Miss Jewell Smith of Streetman—Will Live in County.

Melvin Green arrived in Vernon Tuesday morning from Streetman, Texas, with his bride. His marriage to Miss Jewell Smith occurred in that city at the home of the bride's parents Saturday morning. They will make their home on a farm near Fargo.

Mr. Green is a son of Mr. and Mrs. J. R. Green, residing near Fargo, and is a graduate of the Holcomb Training School. The bride is a daughter of Mr. and Mrs. M. S. Smith, formerly residents of this county. Their many friends are extending congratulations and best wishes for a long and happy life.

WOMEN WILL SEND FRUITS TO HOMES IN DALLAS AND WACO

Women of the Methodist missionary society are planning to send donations of canned fruits, jellies, and preserves to the orphan's home in Waco and the Virginia K. Johnson home in Dallas. Mrs. J. H. Watts, who is in charge, asks all women, and especially those of the Methodist church to join in making this offering liberal. Contributions should be sent to the Methodist parsonage early next week, Monday and Tuesday, if possible.

BIBLE STUDY MONDAY.

Young Women Will Study Book of Daniel Under Leadership of Mrs. W. D. Berry

The bible study division of the missionary society of the Methodist Church meets at 3 o'clock November 10, at the church. The lesson will be from chapters 1 and 2 of the book of Daniel. Mrs. T. M. Ferguson will conduct the scripture lesson, which will be followed by the Lord's prayer in unison. Roll call will be answered with quotations from the Bible. Mrs. Myatt Napier will give a character sketch of Nebuchadnezzar, after which there will be a lesson review by the class. Mrs. W. D. Berry is Bible study leader.

WOMEN NAMED AS CHURCH OFFICIALS FOR FIRST TIME

Fourth Quarterly Conference of First Methodist Church Elects Four Ladies as Members of Board of Stewards at Meeting Held Wednesday Night—Asks For Return of Present Pastor.

Four women were made members of the board of stewards of the First Methodist Church of Vernon at the session of the fourth quarterly conference held Wednesday night. This is the first time that women have served in this capacity, and the event is said to be typical of the changing attitude of the modern church toward the matter of giving their sex a voice in the direction of ecclesiastical business affairs.

The women thus honored were: Mesdames J. D. Summerour, T. M. Ferguson, J. H. Watts and C. V. King. Male members of the board were chosen as follows: T. S. Davis, L. G. Hawkins, C. J. Egrell, D. H. Henry, George W. Backus, W. H. Huggins, E. M. Leutwyler, J. H. Young, William Crutchfield, R. W. Hendricks, E. L. McHugh, W. D. Berry, B. O. Brown, W. A. Wilhelm, F. M. Taylor, N. R. Tisdal, R. B. Sherrill, A. W. Works, R. D. L. Killough, H. F. Ridgway, T. J. Youngblood, E. L. Witty, G. C. Morris, B. H. Lewis, Joe Sumner, C. S. McCulloch, John Morris, Hub Colley.

Want Pastor to Return.
A resolution was offered, signed by C. S. McCulloch, L. G. Hawkins and W. D. Berry, commending the work of the present pastor, Dr. H. F. Brooks, and recommending that the next Annual Conference for the Northwest Texas Conference, soon to be held at Lubbock, be petitioned to return Dr. Brooks to this pastorate.

A resolution was also passed congratulating Rev. M. Phelan, presiding elder who was in the chair and conducted the quarterly conference, upon the manner in which he has handled his duties during his four years in his present office. Dr. Brooks put the motion, which carried unanimously.

In the various reports made to the conference it developed that the church

raised in the Centenary campaign subscriptions to the amount of \$35,547, when the assessed quota was but \$9,750. Assessment for benevolences amounted to \$1,307, but the church collected \$1,911.00. Among other gifts, not included in these two funds, was a donation of \$672.10 to the orphanage at Waco. The Sunday school raised a total of \$748.38 during the past fiscal year, while the women's societies contributed \$1,252.50.

The church has adopted two missionary positions to be supported out of its centenary funds, one being at Soochow, China, and the other at Songdo, Korea. During the year 189 have been received into the church, the majority of which were taken in upon profession of faith.

L. G. Hawkins was re-elected superintendent of the Sunday school, this being his twelfth year of service in that capacity.

BAND NEEDS TROMBONE PLAYER

Twelve Men Reported for Organization Last Night and Six More Will Join.

Twelve men reported last night for the purpose of organizing a band, and six more have indicated that they will join. This includes practically all instruments except a trombone player. The boys are looking for a man who can play the trombone. If none can be found in Vernon, they will look elsewhere, and then try and find their man a position here.

No date was set for the next meeting. Announcement will be made in the papers.

Culture Club With Mrs. McCarroll.

Mrs. J. G. McCarroll was hostess to the Culture Club, Tuesday afternoon. Assistant hostesses were Mesdames W. A. Wilhelm, E. F. Piper, and T. L. Rouse. Mrs. L. E. Fisher discussed the beauties in the music of the American Indian; Mrs. P. E. Phillips sang "Indian Melodies"; and Mrs. Rouse played "Indian Love Song," a piano solo. Mrs. E. W. Mayes read a paper on Bolshevism, in which she suggested that military defeat and starvation are two of the causes of Bolshevism. The first step to cure it is to provide food and work for the masses. In this connection, she thought we must look to the feeding of Germany as a matter of self-protection. Mrs. Harper Reed read a paper setting forth why America should not reject the League of Nations.

MAY ENLARGE PLAN AS TO APARTMENTS

WOMEN OF HOME SCIENCE CLUB TO DISCUSS MATTER WITH CHAMBER OF COMMERCE.

The women of the Home Science Club are considering the advisability of increasing the capitalization of their proposed apartment house from \$50,000 to \$75,000, or even \$100,000. To this end they contemplate asking the Chamber of Commerce to appoint a committee to confer with a committee of the club regarding the matter.

The high level of building costs at present and the fact that the cost of the lot is to come out of the capitalization also have led the club women to feel that the net result of the enterprise at its former capitalization would be disappointing as to size and usefulness. The ladies wish to put up a structure that will be of material assistance in relieving congestion in Vernon's housing situation.

Representatives of the Chamber of Commerce and the Home Science Club met in the library auditorium yesterday and went over some architect's plans. Other plans will be secured, after which it will be determined if the capital stock is to be increased.

Poll Tax Payments Slow.

Only three poll tax payments came in during the week, according to County Tax Collector C. M. Blair, one of these being by a woman. So far only two women have obtained receipts in the county. The number of receipts issued now total 34.

Miss Lydia Timmins of Chillicothe was a guest of friends here this week.

HOLD POSTAL EXAMINATIONS.

Applicants May Comply With Regulation Requirements After Standing Tests to Be Held Here.

Examinations will be held for postal carrier for Route 1, Vernon, November 13. R. R. Swim is now temporary carrier on this route, Route A, formerly a horse route of about five or six miles has been extended to take in all the Fargo country, extending as far as Doans, and is now in charge of W. C. Roddy.

Examinations will also be held Saturday, November 8, for clerk carriers in the city, there being vacancies for substitute carriers.

It was explained at the postoffice that, owing to the short time available, applicants could not comply with all the regulations before taking the examinations, but that it would satisfy requirements if the examination is taken first and the other regulations complied with afterward.

Mrs. Virgie McArthur Entertains.

Mrs. Virgie McArthur entertained at her home on East Texas Street Wednesday evening with a home dance. Music was furnished by a Playerphone. After two hours of dancing and merry-making the hostess took her guests to Baker's Drug Store for refreshments. The following were present: Mesdames E. E. Hartman and Virgie McArthur; Miss Lydia Timmins of Chillicothe; Messrs. Marvin W. Gee, A. J. Lawrence, Susie Barnes, Roy Meadows and W. E. Scott.

Grandma Sturdivant is seriously ill at the home of her daughter, Mrs. H. D. Tenyson, on South Wheeler street.

F. M. McKnight will leave tonight to spend a few days transacting business in Dallas.

Hadn't Seen Well Day in Six Years

Mrs. Nichols Says She Will Never Get Through Giving Thanks for Tanlac.

"Positively, I hadn't seen a well day in six years till I began taking Tanlac," said Mrs. J. H. Nichols, whose address is Box 35, Barker, Texas.

"Six years ago," she continued, "I lost my appetite and had to force down every mouthful I ate. Hardly anything agreed with me and I suffered terribly from indigestion. My nerves were in a wretched state and my back and limbs pained me so I could hardly sleep. I had awful headaches and would get so dizzy as to almost fall. I was so weak and rundown that I could hardly drag myself around the house. My housework just tired me to death and I lived in constant dread of a breakdown.

"As nothing else seemed to do me any good I decided to try Tanlac and I shall never get through being thankful for what it did for me. Since taking Tanlac my improvements have been wonderful, my indigestion is all gone and I have several pounds in weight. My nerves are in better shape and my sleep is refreshing. I have gotten over those dragging pains and have more life and energy than I have had in a long time.

Tanlac is sold in Vernon by T. M.

SOUTH IS TURNING AGAINST CALOMEL

Mr. Dodson, the "Liver Tone" Man, Responsible for Change for the Better.

Every druggist in town has noticed a great falling off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it," Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle doesn't cost very much but if it fails to give easy relief in every case of liver sluggishness and constipation, just ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day.

Ferguson Drug Company and other leading druggists.

PENDLETON'S MUSIC STORE

To Oil Companies Now Being Organized

I have twenty-three leases in different locations in Wilbarger County, of ten to eighty acres each, which I will put in escrow with any reliable organization that wishes some acreage located close to deep tests which are being drilled with standard tools. This county has sixty-two locations, most of them drilling with fine prospects.

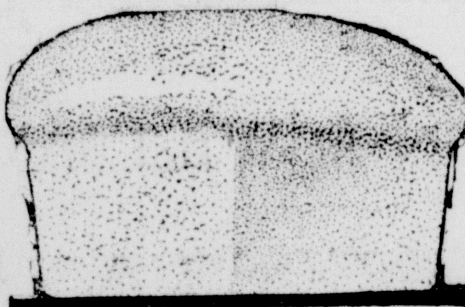

Will escrow these leases to be paid for in thirty and sixty days. Will accept company's stock as collateral until paid for, or any other reasonable arrangement that may be agreed to between buyer and seller.

COAL SHORTAGE IS THREATENING GINS

USE OF CRUDE OIL AS FUEL IS CONSIDERED SOLUTION OF PROBLEM.

Individual families are not the only sufferers from the local coal shortage, although their privations incident to the coal strike are probably most acute. The gins of the county are faced with a fuel shortage that has caused numbers of them to consider the feasibility of installing crude oil burners under their boilers.

The gin at Tolbert is already using oil, although temporarily out of the running on account of a break down. This gin has also been crippled on account of insufficient water supply for steam purposes. At Odell one gin has no coal at all and the other has about 10 days' supply and contemplates using crude oil. Harrold and Oklaunion gins report shortage of fuel, while Elliott has enough coal for a week.

In Vernon the Vernon Gin reports "about enough coal to fry a hamburger," while the Planters Gin has no coal at all. These plants are firing with coal supplied by the cotton oil mill. The Farmers and Merchants can run night and day for two weeks on coal now in the bins, while the Farmers Gin Company has a month's supply.

The ginning report follows:

Vernon—	
Planters Gin	1317
Farmers & Merchants	660
Farmers Gin Co.	1100
Vernon Gin Co.	309
Odell—	
S. R. Starr	628
Chickasha Cotton Oil	400
Harrold	217
Elliott	294
Tolbert	200
Oklaunion	512
Cotton grown in Wilbarger	
county and ginned outside	
(ginners' estimate)	563
Total	6200

WILL WED HILLSBORO GIRL

E. C. Young Leaves Tonight for His Wedding Sunday With Miss Ada May Davis

E. C. Young leaves tonight for Hillsboro for his wedding there Sunday to Miss Ada May Davis at the home of the bride's parents, Mr. and Mrs. J. Will Davis. The marriage is the culmination of a war-time romance. Mr. Young having met his bride at Fort Worth while he was a soldier at Camp Bowie and she was a student at Texas Woman's College. The ceremony will be performed by Rev. T. B. Burton of the Hillsboro Methodist church.

The groom's parents, Mr. and Mrs. J. H. E. Young, will join him at Hillsboro, coming over from Mineral Wells for the wedding. Following a week's absence from Vernon the young couple will return here and make their home on West Paradise street.

Mr. Young is employed in the insurance office of C. S. McCulloch, and has a wide circle of acquaintances and friends in the city.

Woodmen Circle.

All members of the Woodmen Circle are urgently requested to meet at the W. O. W. Hall Saturday, November 8, at 3 p. m., as important business is to come before the meeting.

CLERK.

If our delivery boys fail to deliver your paper, please us. We will correct the trouble.

Visit the W. C. T. U. market at Minarik's meat market Saturday afternoon from 2 o'clock on.

Mrs. G. C. Morris has returned from Galveston, where she has been for some time.

Wanted—Three or four typists, persons who have had abstracting experience preferred. Apply to Mr. London at Hotel Vernon Saturday morning. 11p

Mrs. W. N. Bonner, who has been visiting at the home of her parents, Mr. and Mrs. H. F. McKibbin, returned to Wichita Falls Tuesday. She was accompanied by her father and sister, Miss Nelle McKibbin.

Wealthy Widow Would Wed Again

"Now that my stomach trouble has all disappeared since taking a course of Mayr's Wonderful Remedy I would even consider getting married again. I cannot tell you how terribly I suffered before taking this great remedy." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

Sold by T. M. Ferguson Drug Company and druggists everywhere. It

ASK AID FOR CONSUMPTIVES.

Tubercular Soldiers Require Assistance in Order to Regain Health and Strength.

Cecil Storey, former chairman of the exemption board, has received a letter from John C. Townes, Jr., draft executive of Texas during the war, urging that a campaign be made in this county for the benefit of the fund which is to erect at Carlsbad, Texas, a sanitarium for the care of Texas tubercular patients who were in the service as soldiers and sailors.

It is stated that there are four thousand and discharged service men who require treatment at such an institution. There are several in Wilbarger county. The Federal Government is willing to supply treatment and care for these patients, provided the people of Texas will furnish funds for the erection of a suitable hospital.

Mr. Storey says that Wilbarger is asked to contribute \$1248 to this cause, that being the quota necessary to raise the total required for the institution planned by the Benevolent War Risk Society, under whose auspices the campaign is conducted.

WILL OPEN ABSTRACT OFFICE.

Oklahoma City and Denton May Say Promise of Growth Warrants Establishing Fourth Plant.

L. M. London of Oklahoma City and Joe Darnall of Denton will open an abstract office in Vernon. Mr. London says they will have a complete plant, using the modern card system. They expect to have the records within the next four or five months. It will take that long, Mr. London thinks, to get them complete.

There are three abstract offices in Vernon now, but Mr. London says Mr. Darnall and himself are willing to risk the time and expense of establishing this business, putting this against what they think Vernon offers in the way of growth during the next few years.

VERNON MAN IS LIQUIDATING AGENT OF CHILLICOTHE BANK

S. A. White of Vernon has been appointed liquidating agent for the First State Bank of Chillicothe. The bank closed last spring. Mr. White was for some time assistant cashier of the Farmers State Bank of Vernon. He is also secretary-treasurer of the Vassoy-Odell Oil Company.

Missionary Ruths With Mrs. Long.

Miss Lora Long was hostess Tuesday to the Missionary Ruths. She was assisted by her mother, Mrs. Etta Long, and Mrs. Cy Long. Mrs. J. H. McDonald of Quanah, district secretary, lead the devotional exercises. Business was transacted and reports given for the year. The Missionary Ruths pledged \$125 to the Centenary fund, and \$135 has been paid in. For local work \$125 was realized. The society has about \$85 in its treasury. A salad course was served.

W. C. T. U. to Hold Market.

The women of the local W. C. T. U. will hold a market tomorrow (Saturday) afternoon at Minarik's meat market on North Main street. Home cooked foods will be sold, beginning at 2 o'clock.

If the delivery boy fails to deliver your Record phone 171.

Mrs. Henry Holley is critically ill at the home of her mother at Cooper, Texas. Mr. Holley is at her bedside.

When you are hungry don't forget White Rose No. 2.

Marriage license was issued to Luther E. White and Miss Essie Mae Bishop November 4th.

PICTORIUM THEATRE LEADING EDUCATOR IN VERNON SUNDAY

SPECIAL FEATURE

Monday, Nov. 10th

If thrills, suspense, love, romance and pulsating drama make a photoplay then "When Bearcat Went Dry" should be voted a huge success when this six reel super-feature comes to the Pictorium Theatre on Monday, Nov. 10. This picturization of Charles Neville Buck's famous novel of the Cumberland mountains has fights, feuds, moonshiners, love, romance following so closely to each other that your attention is held from the very beginning of the first reel to the last foot of the picture.

FAVORS LONG STAPLE COTTON.

J. A. Wilbanks Gets Half Bale to Acre From Part of Imperial Valley Seed Despite Grass.

J. A. Wilbanks, three miles south and a mile and a half west of town, is sure that it pays to raise long staple cotton. Last spring he planted 20 acres of Imperial Valley seed in Johnson grass sod land. Despite the fact that the grass got the start of him and he saved but three acres out of the tract, he is expecting to make at least a half bale to the acre, besides getting a top price for his staple. He sold a bale from another field Monday for \$3.19.

Mr. Wilbanks believes that it will be worth the while of Wilbarger farmers to look into the matter of selling seed to planters in insect devastated regions of central and south central Texas.

PRESIDENT J. D. SANDEFER OF SIMMONS COLLEGE WILL BE AT BAPTIST CHURCH.

President J. D. Sandefer of Simmons College, located at Abilene, will be in Vernon Sunday. He will preach at the First Baptist Church Sunday morning.

In connection with the visit of this leading educator, Rev. W. T. Rouse, pastor of the local church, says: "The coming of President Sandefer to speak at the Baptist Church Sunday morning is a rare opportunity for the people to hear an address from one of the foremost men in the state. Many, no doubt, will recall his visit here a little over two years ago. Let the young people not miss this opportunity to hear an inspirational message of rare quality. We ask churches in the country to send a large delegation. Be on time, at 11 o'clock sharp, as Dr. Sandefer must leave on the noon train."

At the Churches

Baptists Will Conduct Meetings.

The congregation of the First Baptist Church of Vernon announces a series of meetings to begin the fourth Sunday in May. A helper to assist the pastor will be selected. It is the plan to follow close upon the close of school and to close before the harvest time begins.

Presbyterian Church.

Sunday school at 9:45 a. m., preaching at 11 a. m., and 7:15 p. m. To make America Christian is a task great enough, an aim worthy to engage the loyal support of every Christian in America. May we not have present every Presbyterian in Vernon and surrounding country and plan to do our part. The public cordially invited.

GAINES B. HALL, Pastor.

Announcements.

For the First Methodist Episcopal Church, South, for Sunday, Nov. 9, 1919:

Next Sunday is our last Sunday before Conference and we most earnestly plead with our people to lend their presence: 9:45 a. m., Sunday school. L. G. Hawkins, superintendent. At this service the pastor will give an illustrated sermon on "A Changed Heart." 11 a. m. At this service, the pastor, Sunday school superintendent, and presidents of the W. M. S. will give an

Why Take Chances

Of a family quarrel, besides a severe test of your patience and religion in trying to use an old stove and a lot of old, bent, rusty pipe? You can probably save money, too, by getting a new stove now, and you're sure to save a lot of muss and dirt and trouble. And besides, think of the happiness and satisfaction that comes from nice new equipment.

Then, too, there is the saving in fuel—an important item. Keep the family warm and they won't eat so much. Heat is food in the winter time.

Swartwood & Company

You can get what you want at our store.

account of the year's work. This will be followed by communion service. It is earnestly urged upon the membership to be present, and especially the official board, old and new, are requested to be at this service. 2:30 p. m., Junior Missionary Society, Mesdames R. D. L. Killough and D. H. Henry, leaders. 6:15 p. m., Epworth League. At this service our new League president, L. W. Landrum, will address the young people. All young people are invited to this service. 7:15 p. m., sermon by Rev. M. Phelan, presiding elder. This will be the last service for our elder. His quadrennium is complete with this service. Let there be a splendid attendance. This will be a busy day for our church. Come and hear what has been accomplished by the church this past year.

HENRY F. BROOKS.

Baptist Campaign Going Well.

Rev. W. T. Rouse reports the campaign to raise \$90,000 among the Baptist churches of Wilbarger county is progressing encouragingly. It is hoped to reach most of the churches which have not yet been reached, next Sunday. Dr. J. D. Sandefer, president of Simmons College at Abilene, will speak in Vernon at 11 o'clock Sunday morning. Geo. J. Mason and W. T. Rouse will speak at Lockett at 3 o'clock in the afternoon and at Rayland at 7:30 Sunday evening.

COFFEE

Fancy Santo, Fancy Peaberry and Washed Mexican.

Per Pound 45c

These Coffee s will please you and are as good as money can buy.

HOW CAN WE DO IT?

First—Our bulk coffee saves you 8 cents a pound for a can. Second—We buy direct from the importer at a saving of 5 cents a pound. Third—We buy the whole grain coffee roasted the day it is shipped and grind it ourselves, so you get the full benefit of the strength and flavor. You can save 15 cents a pound by giving us your coffee business and get good, fresh coffee every time.

Brown's Cash Grocery

REMEMBER you do not have to pay for worthless cans and labels or jobber's profits. Just coffee of the best variety, sold under its proper name, in inexpensive paper bags, ground while you wait.
